PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

633 Enrolled In Pahokee Schools

Enrollment of students at Pahokee School on the opening day Tuesday totaled 633 which is practically the same as last year's registration on the first day, according to Principal Clyde A. Canipe. This total is expected to increase later in the season with the arrival of migrant labor families with children of school age, Canipe said. The biggest surprise in the Pahokee School registration was in the first grade which had an enrollment of 20 more children than was expected. The total for the high school was 281 and for the elementary school, 352.

The first day registration by grades: High School, twelfth, grade, 40; eleventh, 48, tenth, 52; ninth, 48; eighth, 39; seventh, 54; Elementary School, sixth grade, 53; fifth, 62; fourth, 51; third, 51; second, 74; first, 61.

Executive Board Of Garden Club To Meet Next Tuesday

Mrs. C. L. Shirley, president of the Pahokee-Canal Point Garden Club, called a meeting of the club's executive board at her home Tuesday night to outline plans for the new season.

The names of new officers and standing committee members were read at the meeting and their duties explained.

The protection of birds in the area from small boys with air rifles was discussed at the meeting.

Mrs. F. M. Shaughnessy reported the Hibiscus Circle has completed the planting of royal palm trees in its roadside beautification project on Bacom Point Road. More than 300 palms were used, bordering the road for more than two miles from the Pahokee city park to the Anderson residence on Bacom Point, she said. The last 79 palm plants were propagated from seed by Mrs. H. M. McIntosh, past president of the club.

Mrs. E. F. McIlwain reported she is making arrangements to reserve shelf space for Garden Club books and other literature at the Pahokee City Library.

It was voted that the club offer its services to the Port Mayaca Cemetery Commission in the beautification program being planned for the cemetery. Mrs. Shirley is to appoint a club representative to confer with the commission.

Tentative plans were made for the club's annual plant sale to be held in November.

It was voted that the board conduct regular session the second Tuesday of each month and the circles will continue to meet regularly on third Tuesday through the coming season. A luncheon and program meeting of the club will be held in the Community building at Canal Point on Tuesday, Sept. 22.

The sugar mill at Ponce de Leon Springs, one of Florida's newest major attractions, has been partially destroyed twice; once in the Seminole Indian War and again during the Civil War.

Driver Permits Again On Sale

Mrs. Juanita Cowart is again this year in charge of the issuing of drivers permits at the Florida Highway Patrol station in Pahokee. Last year she issued around 2,000 permits at the Pahokee office. Her office hours are 9, to 11:30 a. m. and 1 to 4 p. m., Mondays through Fridays and 7 to 11:00 a. m., Saturdays, all through September. Operator permits are \$1.25 and chauffeurs permits, \$2.25, including issuance fee.

Julius Moon Is New CC Director

Julius Moon of the Bank of Pahokee was named a director of the Pahokee Chamber of Commerce at a meeting of the chamber's executive board Tuesday night. He will complete the unexpired term left by the recent resignation of Homer J. Clause.

The board voted to name a special committee for the purpose of making a thorough study of a proposed music festival for Pahokee and outline a workable plan for its presentation in the future, perhaps sometime next year. No further action will be taken on this until the committee makes its report.

It was announced a nominating committee composed of Leonard Dobrow, Manning I. Keen and Ora W. Powell will report its recommendation for a slate of new officers at an executive board meeting on Oct. 5. The board then will send ballots to the membership for the voting in of new chamber officers, these ballots to be turned in before the annual meeting of the entire chamber membership on Oct. 13.

Mrs. Bertha Orr, office secretary, reported the chamber has received 250 decals publicizing Pahokee. These decals, which read "Garden of the Glades—Pahokee, On Lake Okechobee, Florida," cost the chamber approximately 18 cents each and will be distributed through civic groups at 10 cents each.

Pope Packing House Destroyed By Fire

The E. L. Pope packing house on the FEC Pelican Lake siding south of the Unity Farms plant was destroyed by fire shortly before midnight Saturday.

The blaze was discovered by Walter Schlechter, a service man home on leave who was passing by, and spread so rapidly through the building that the Pahokee Fire Department could do little except prevent it from spreading to other buildings. The cause of the fire is unknown, according to Fire Chief Marvin Levins.

The packing house was destroyed in the 1949 hurricane and rebuilt a couple of years ago. It is reported to have contained considerable farm machinery in storage as well as packing equipment and field boxes. E. L. Pope, the owner, was in Oxford, Miss., enrolling his son, Lewis Jr., in Mississippi State University when the fire occurred.

Mrs. C. A. Shive, Pahokee pioneer resident, is ill at her home this week.

Blue Devils Will Participate In Foot Ball Clinic

The Pahokee Blue Devil football squad will participate in the Lions annual Glades Football Clinic to be held at the Clewiston High athletic field this Friday night. The clinic which gives Glades fans a preseason showing of the football hopes of Pahokee, Belle Glade and Clewiston High Schools and brings them up to date on the latest rules of the game, is sponsored jointly by the Lions Clubs of the Glades area.

Coach Webb Pell's Blue Devil squad in training did not increase with the opening of school as expected. He still has only 25 to 27 boys reporting regularly for practice sessions every afternoon and this small squad automatically will make the problem of reserve strength a tough one for Webb through the coming season.

The team also has lost Roy Spooner, one of the three regulars returning for practice this fall. Spooner, a Senior who was being groomed for end position, got married last month and school and is now working in the mines. Ronnie Elliott is, being trained to replace him at end.

One of the bright spots in the Blue Devil prospects is the development of Robert Goodson, last year's basketball star, as quarterback field general for the Pahokee eleven. In scrimmage sessions Goodson has been showing up well as a team leader sparking offensive drives.

139 Children In Canal Point School

The registration of pupils in the eighth grades at the Canal Point School totaled 139 on Tuesday, the first day of school, this total being two more than were enrolled in the school at the close last spring, according to Principal Clyde Alley, who expects the school's enrollment to increase as the season advances.

The registration by grades: First Grade, 19, second, 19; third, 20; fourth, 19; fifth, 15; sixth, 17; seventh, 14; eighth, 16.

Load Of Moonshine Nabbed By Deputy

A 1941 Plymouth sedan, loaded down with 30 five-gallon cans filled with moonshine, was nabbed by Deputy Sheriff Frank O'Connell in Canal Point Tuesday morning. Grady Echols, Canal Point grocery man, noticed the car parked in front of his grocery when he opened the store Tuesday morning and becoming suspicious both from the appearance and scent of the car, notified O'Connell, who had the car moved to the Elliott Motors garage in Pahokee and got in touch with federal authorities in West Palm Beach.

The car's battery had been removed, indicating it had failed on the highway, forcing the driver to park, O'Connell said.

Youngster Hurt In Fall From Tree

Winston Brockett, 10-year-old son of Mrs. Betty Bush of Pahokee, under went surgery at the Everglades Memorial Hospital Saturday afternoon in treatment for internal injuries received by the boy when he fell 20 feet from a tree. The fall occurred Friday afternoon when he and a group of other boys were playing a "jungle game" in a vacant lot east of the Manning Keen residence on Bacom Point Road. The boy's condition is reported by hospital authorities as "fair."

Slauter Talks To Rotary Club

W. A. Slauter, driver education instructor at Pahokee and Belle Glade High School, was guest speaker at the Thursday luncheon meeting of the Pahokee Rotary Club last week.

Introduced by Charles G. Willis, the speaker gave a talk on "Safety" in which he pointed out that although there are fewer mechanical failures in automobiles and highways are better built than in the past, the rate of accidents is increasing. Failures on the part of the individual driver and his inability to cope with the high speed he demands from his cars cause most of the accidents, Slauter said. At the end of his talk he demonstrated some of the equipment he uses in his courses to test a driver's depth perception and field of vision and the timing of reaction to emergency driving situations.

The club accepted an offer of the Florida Highway Patrol to have a club member or members ride in a FHP car during the Labor Day weekend to observe the manner in which the FHP conducts its continuous highway safety campaign. Thadd Whidden, vice president, who presided in absence of President O. B. McClure, named Oscar Dobrow in charge of arrangements for cooperation with the FHP.

Kindergarten Opens At Blakey Home

Mrs. Arch Blakey opened her private kindergarten at her home 210 Annona Ave., Pahokee, Tuesday morning with an enrollment of 19 children and she expects a few more to join the classes during the coming week.

Children four and five years old who were registered the first day: Billy McKinstry, Linda Kay Rockwell, Reid Tillery, Buddy Olsen, Edna Allen, Ethel Ida Johnson, Michael Sanders, Eleanor Burdshaw, Randy Wilkinson, Jim Tyson, Joe Elbon, Jo Ellen Brown, Joe Erby Thompson, Michael Cowart, Mike Fletcher, Sandra Dykes, Brenda Bishop, Sharon Weir and Jimmy Holman. Additional children who joined the class Wednesday morning and increased the enrollment to 23 were Lois Adams, Ellen Jo Denton, Melinda Graham and Linda Rose Stuart.

Mortgage loans in the U. S. increased 22 per cent during the first six months of 1953, according to the United States Savings and Loan League.

Pahokee PTA Will Meet On Sept. 14th

Mrs. Edward A. Jensen, new president of the Pahokee Parent-Teacher Association, called a meeting of the PTA executive board at the school Tuesday evening preparatory to the first regular PTA meeting of the new school year to be held in the school auditorium Monday, Sept. 14, at 8 p. m. The regular meeting will consist of a brief business session followed by a reception for the teachers of the Pahokee High and Elementary Schools, with Mrs. Norman Kennedy in charge.

Mrs. Jensen has named as chairman of PTA standing committees for the new year: Mrs. Norman Kennedy, program; Mrs. John Dulaney, hospitality; Mrs. Max Beverly and Mrs. Mildred Schoepel, public welfare and school cafeteria; James W. Vann, finance and Halloween carnival; Mrs. George Ramey, publicity; Mrs. Thomas Elliott, membership; Police Chief Leon Guthrie, safety; Mrs. Clyde Canipe, room mothers; Robert O. Lampi, music; William D. Howard, legislation; Mrs. Lester Hand, exceptional child; Mrs. E. C. Johnson, health and student roundup; Mrs. J. R. York, study group; Mrs. Marshall Lair, publications, and Mrs. Manning Keen, auditor.

One Killed, 16 Hurt In August In P. B. Co.

One person was killed and 16 injured in the 54 car accidents occurring in Palm Beach County during August, according to the monthly report released by the Department of Public Safety through the Florida Highway Patrol, district office in Pahokee. Property damage resulting from these accidents was estimated at \$15,965.

FHP officers, in addition to investigating these accidents, made 86 arrests in Palm Beach county during the month, apprehended three wanted persons, recovered one stolen car, issued 132 written warnings of improper driving and 178 warnings of faulty equipment, assisted 57 motorists in distress, gave 15 talks on highway safety and examined 715 applicants for driver permits of which 432 passed, 229 failed and 154 did not complete their examination.

Effort To Organize Junior Chamber

A move is afoot to organize an area Junior Chamber of Commerce in the upper Glades area and a group of young men will go to Fort Lauderdale on Sept. 23 to witness operation of the Jaycee group there. Any fellows interested in making the trip should contact Jerry Gold at the Prince theatre or Robert McIntosh at the Pahokee Drainage district.

Miss Myra Cruthird, former Pahokee resident, now of Jacksonville visited relatives and friends here over the weekend.

Mr. and Mrs. S. L. Lindsay and daughter, Joyce, returned this week from a vacation spent with relatives in Tennessee.

Cinematic Chatter By Malcolm Miller

Hello everybody. It's official now Marilyn Monroe is a full-fledged star. And to show that the company considers her one of its most valuable young players they have signed a long term contract with her and given her a swank dressing room with all the regal trimmings in the star building on the studio lot. When Marilyn moved from the "featured player's dressing room" to "star row" she went into a suite formerly occupied by Alice Faye, Marlene Dietrich and Simone Simon respectively. It is furnished in blonde wood with a white rug and since three other blondes have made it their studio home, it was just right for Marilyn. Miss Monroe's big step up the ladder came after five pictures, "Don't Bother to Knock," "We're Not Married," "Monkey Business," "O'Henry's Full House," the current "Niagara" and before she began work in "Gentlemen Prefer Blondes" which is considered pretty going for an actress in Hollywood. In three years she became the most publicized blonde in the film capitol and has been dubbed "the most voluptuous actress of all time," "the blowtorch blonde," and is a favorite with GI's everywhere. As always happens when a beautiful blonde wins stardom in Hollywood, the controversy arises among correspondents and columnists about her acting ability. Well folks, this gal not only has looks and figure but She Can Act. See you at the movies—Mal.

Carol Carpenter "Adopts" Korean

Carol Carpenter, Pahokee High School Senior, has "adopted" a six-year-old Korean girl, Shin Wha Ja, of Pusan under the Foster Parents' Plan for War Children, Inc. Miss Carpenter learned of the foster parents plan in a recent magazine article and wrote to the organization offering to contribute her salary as pianist at the Pahokee First Methodist Church to the cause by "adopting" a war refugee. The "adoption" provides \$11 monthly and relief supplies for Shin Wha Ja and her family.

Carol, daughter of Mr. and Mrs. Dan Carpenter, represented Pahokee High at Girls State in Tallahassee this summer and is active in mission work as a member of the Pahokee Methodist Youth Fellowship.

Canal Point WSCS In Tuesday Meeting

Mrs. A. R. Harrington presented the worship program, "God's Gift of Out Of Doors," at the September meeting of the Canal Point Methodist Woman's Society of Christian Service held in the home of Mrs. W. K. Buchanan Tuesday afternoon, with the president, Mrs. J. P. Parker, presiding, Assisting Mrs. Harrington were Mrs. Earl Maxson, Mrs. Boyd Vorhees, Mrs. Elmer Maxson, Mrs. C. Livingston, Mrs. Leonard Maxson and Mrs. Pope Sears.

The resignation of Mrs. James Miller as secretary of children's work was accepted, and a new secretary will be named at the October meeting. Mrs. Boyd Vorhees, secretary of missionary education, announced the group's fall mission study book will be "That the World May Know." WSCS year books were distributed to members at the meeting.

Mrs. Earl Maxson, secretary of Christian social relations and local church activities, gave a report on the reception for the new pastor, the Rev. B. William Palmer; also a report on new kitchen equipment purchased by the WSCS for the parsonage. It was voted to

purchase two large pots for the potting of palms for church use.

Plans were made to send a delegation to the WSCS fall seminar to be held in Delray Beach Sept. 10, starting at 9:30 a. m. Refreshments were served by Mrs. Buchanan to 20.

Shower And Tea For Rita Faye Hurt

The home of Mrs. Lloyd Hundley on Bacon Point Road was the scene recently of a shower and tea in compliment to Miss Rita Faye Hurt, bride-elect of Stanley Lamar Hooks. Assisting Mrs. Hundley as co-hostesses were Mrs. Dorothy Graham, Mrs. Paul Watson, Mrs. Manning I. Keen, Mrs. C. L. Stuart and the Misses Gloria Stuart, Bobbie Frierson, Louise Hatton and Donna Jo Spooner.

Arrangements of hibiscus blossoms in pastel colors and fern were used by the hostesses to decorate the Hundley home for the occasion. In the receiving welcoming the 250 invited guests were Miss Hurt and her mother, Mrs. R. F. Hurt; also Mr. Hooks' mother, Mrs. Delmar L. Hooks of Canal Point, and Mrs. Hundley.

Miss Louise Hatton sang several solos and piano selections were played by Miss Stuart and Mrs. Graham. The honoree was assisted by the hostesses in the display of the gifts.

A University of Southern California research chemist has come up with the fact that chicken feathers contain keratin, a chemical protein which can be made into fibers capable of sweeping. We may someday have chicken-feather brooms!

Labor Groups Hold Canal Point Meet

Officials of the United States and Florida State Employment Services discussed the Federal and State Farm Placement programs and the general agricultural labor outlook for the coming season, at a growers' meeting held here Thursday night at community park building.

Dixon Pearce, Miami, president of the Florida Fruit & Vegetable Association, presided. Donald Loring, of Washington D. C., chief of Farm Labor Placement for the U. S. Employment Service; Earnest Marberg of Atlanta, director of the Southeastern region of the Farm Labor Placement; and Dr. Fons Hathaway of Tallahassee, director of the Florida State Employment Service, participated in the discussion.

Announcement was made of the tenth annual convention of the Florida Fruit & Vegetable Association to be held at the Casa-

blanca Hotel in Miami Beach on Sept. 23, 24 and 25, when a special labor forum will be conducted. Authorities will explain current regulations of the Farm Placement Progress and discuss the general problems of the Florida agricultural labor users.

Approximately 100 growers from various areas of Lake Okeechobee were present for the meeting.

Wedding Scheduled Sunday At 4 P. M.

The wedding of Miss Rita Faye Hurt and Stanley Lamar Hooks will be an event at the Pahokee First Methodist Church Sunday, Sept. 13, at 4 p. m. The Rev. Earl J. Jones of Okeechobee, former pastor of the church, will officiate at the double ring, candle light ceremony. A reception in the Woman's Club building will follow. No formal invitations have been issued but all friends of the couple are invited to both the wedding and the reception.

You're "sitting pretty"
behind the wheel

Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around

You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

And it's the
lowest-priced line

A demonstration will show you that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

Biggest brakes for
smoother, easier stops

An easy nudge on the pedal brings smooth, positive response—right now! Chevrolet's improved brakes are the largest in the low-price field.

I figure this
demonstration saved me
many hundreds of dollars!

I expected to pay that much more
for a new car until I discovered
I was better off in every way
with this new Chevrolet!

Let us demonstrate
all the advantages
of buying a Chevrolet now!

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

You get greater getaway
with the new Powerglide*

A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at any price.

You get more power
on less gas

That's because Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide* models, you get the most powerful engine in Chevrolet's field—the new 115-h.p. "Blue-Flame." Gearshift models offer the advanced 108-h.p. "Thrift-King" engine.

It's heavier for
better roadability

You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

PERSONAL NEWS NOTES

Mr. and Mrs. T. W. Jenkins had as guests the past week Mr. and Mrs. Robert L. Clark and Mrs. Clyde Clark, all of Augusta, Ga., and Mr. and Mrs. L. W. Weeks of West Palm Beach.

Mr. and Mrs. Michael Kirk and Mrs. Maribelle Rawls were visitors in Miami through the Labor Day weekend.

Mrs. Jack Phillips and children returned to Pahokee Monday from Fairfax, S. C., where Mr. Phillips has been engaged in plane crop dusting operations this summer. They were accompanied as far as Wauchula by Mr. and Mrs. Bobby Phillips. Bobby, who was seriously injured in a plane crash while working for his brother last month, is reported to be improving steadily. Mrs. Jack Phillips and son, Robert, are returning to Fairfax this week. Her other children, Betty Jo and Butch, will be guests of their uncle and aunt, Mr. and Mrs. Paul Sasser, while attending school until the return of their parents from S. C.

Mr. and Mrs. Dewey Hughes had as guests the past week their son, Leland Hughes, and his bride, also Dewey's brother, Arnold Hughes, who was granted a three-day leave from the State Hospital at Lantana, to visit his nephew, Leland, a graduate of Pahokee High School, Class of 1950, is in the Service. He joined the Armed Forces shortly following his graduation from high school.

Mr. and Mrs. L. L. Shirley and daughter, Miss Lynn Shirley, spent the weekend at the Colonades Hotel, Palm Beach Shores. Miss Carol Carpenter was their guest.

The executive board of the Canal Point Parent-Teacher Association met at the school Tuesday in preparation for the first PTA meeting of the school year to be held in the school auditorium Monday, Sept. 14, at 8 p. m.

The Commission of Education of the Pahokee First Methodist Church conducted an important meeting at the church Wednesday at 8:20 p. m. The commission includes Clyde A. Canipe, A. J. Spencer, Frank Rozelle, Edwin Rice, Mrs. B. Elliott, Mrs. Hugo Boe, Mrs. George Ramey, Miss Phoebe Ann Ramey and all divisional superintendents of the church school.

Mrs. Ellsworth Keen is recuperating from surgery performed at the Everglades Memorial Hospital Saturday.

Cpl. E. D. Dugger, who is stationed at the Florida Highway Patrol district office in Pahokee, is convalescing from recent surgery performed at a West Palm Beach hospital.

Airman 3-c Robert W. Schroder will arrive in Pahokee this weekend for a visit with his parents, Mr. and Mrs. R. J. Schroder, while on a 15-day leave from Lowry Field, Denver, Colo., this being his first visit home since joining the USAF on April 9.

Among those from the Pahokee Chapter, Order of Eastern Star, who attended the District 18 observance of Robert Morris Day in Moore Haven were Mr. and Mrs. A. R. Harrington and family, Mr. and Mrs. M. F. George, Mr. and Mrs. F. M. Wilson, Mr. and Mrs. H. C. Graham, Mr. and Mrs. D. W. Young, Mrs. Edna Barrett, Mrs. Grace Rosenberg, Mrs. Ruth Carpenter and her guest, Mrs. Lillie Ryan of West Palm Beach.

Charles Lairsey is spending a leave from the U. S. Navy with his parents, Mr. and Mrs. M. L. Lairsey, on Connors Highway six miles east of Canal Point. He recently returned to the United States from overseas duty in the Pacific area and this is his first visit home in two years.

Mr. and Mrs. James L. Tyson and children, Willola, Jim and Dick, have moved from West Palm Beach to make their home in one of the Powell residences on East Main St., Pahokee. Mr. Tyson will be engaged in farming activities in this area during the coming season.

Mr. and Mrs. Arnold Barad of Canal Point are on a 12-day vacation trip which will include visits in Cuba, Daytona Beach and other points in Florida.

Mrs. Tommie Lee DuBose, sixth grade teacher at the Pahokee Elementary School, who has been convalescing from recent major surgery in Alabama, is expected to be able to return to her home in Pahokee this week.

Mrs. James Vandegrift and Mrs. Marvin Vandegrift have enrolled for the fall term at the Vocational Beauty Culture School in West Palm Beach.

Mr. and Mrs. E. C. Watson and family returned recently from a vacation spent with relatives in Georgia.

Mrs. Doyle Smith and daughter, Bonnie, have returned to Columbia, S. C., after a visit here with her parents, Mr. and Mrs. E. B. Justice.

Mr. and Mrs. Paul Riddle had as guests the past week Mr. and Mrs. E. P. Shoemaker and son of Bristol, Tenn.

Mrs. Loren Rosenberg accompanied her sister, Mrs. C. A. Yarbrough, to Savannah, Ga., recently and will be accompanied home by her children, Dale and Loris, who have been visiting their grandparents there this summer.

Mr. and Mrs. Walter G. Hull are vacationing in North Carolina this month.

Mr. and Mrs. George Mead are expected to return home this week from a visit in New Orleans, La.

Mr. and Mrs. Thomas Elliott had as a guest over the weekend Mac Lynn, former Pahokee resident now living in Vero Beach.

Mrs. John T. Pickett, Sr., was accompanied home from a visit with relatives in Jacksonville by her son, Donald, who had been a visitor in New York for a week.

John T. Pickett, Jr., who, with his bride, the former Wanda Harper, spent the weekend in Pahokee visiting relatives, returned Monday to Jacksonville to complete

his summer work with an engineering firm in that city before enrolling as a second-year student at the University of Florida on Sept. 22. Mrs. Pickett will join him in Jacksonville later this week.

Hugh Watson will leave next week for Gainesville to enroll as a sophomore in the fall semester at the University of Florida.

L. Wall of Miami, Lions district governor, accompanied by Mrs. Wall and their son, Leonard, visited Mr. and Mrs. Manning Keen in Pahokee Sunday.

Mr. and Mrs. Robert Baker and infant daughter, Deborah Jean, have returned to Gainesville after a visit with her parents, Dr. and Mrs. Charles E. Creel, in Pahokee

and his parents, Mr. and Mrs. William Baker, in Canal Point. Mr. Baker is enrolling as a second-year student at the University of Florida this month. Mrs. Baker is working in the University library while he is attending school under the GI plan.

Mr. and Mrs. O. D. Carpenter and daughter, Carol, have returned from a month's vacation spent at Palm Beach Shores. While on vacation Carol completed a course at the Palm Beach Modeling School.

Mr. and Mrs. Norman Kennedy and family have returned to their home in Pahokee after spending the summer in Dansville, N. Y.

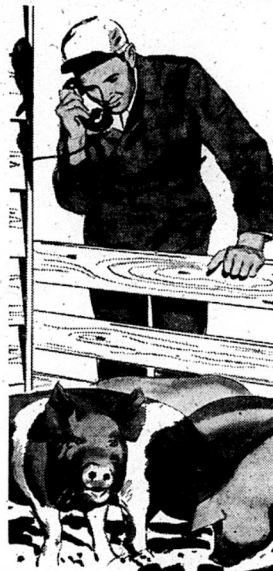

"Meet My Extra Hand"

"Yep, my telephone sure helps get things done. Saves time, steps, even trips to town. Almost like an extra hand around the place."

Because rural telephones do mean so much to farm work and living, we're working hard to bring service to more and more people.

Over half a million Southern Bell telephones are serving rural areas and new ones are going in at the rate of more than 6,500 every month.

DO YOU REMEMBER?

HAPPENINGS IN THE LAKE OKEECHOBEE REGION

25 YEARS AGO

Meeting in a room of the high school building Wednesday evening, 43 residents of Canal Point, qualified by registration and poll tax payments, voted 26 for incorporation and 17 against. The proposition for incorporation having been declared carried, Roy Batchelor was elected town clerk, W. H. Vann, mayor and H. C. Kolstad, J. G. Weeks, W. P. Jernigan and A. Erickson, councilmen and A. Hamrick marshal.

The Pahokee Womens Club had its regular meeting Monday, September 3rd. The following officers were elected for the coming year. President, Mrs. J. R. Poland; vice president, Mrs. J. Q. Henry; second vice president, Mrs. Bob Collins; secretary, Mrs. A. Hansen; treasurer, Mrs. J. W. Cochran; auditor, Paybelle Lawrence; parliamentarian, Mrs. W. H. Vann.

The commercial fishing season on Lake Okeechobee opened on September 1. Leon Latour's packing house at Canal Point is receiving fish and one of the houses at Okeechobee has opened. Mr. Latour quotes the prices to fishermen as 10 cents a pound for catfish of one pound and over, 8 cents a pound, for medium and 5 cents for small, 3 cents for brim and perch and 10 cents for black bass.

Lake Okeechobee rose from elevation 13.3 feet at Canal Point on August 3 to elevation 16.2 feet on

September 2. The rise was practically 3 feet in 30 days. This threatens danger.

Nobody has what you might say complained about it, but it has not escaped observation and comment that matrimony and plenty of employment has had a bad effect on attendance at the Al Smith For President Club which meets on the road fence whenever the mosquitoes allow.

A patron of Slim's Restaurant wants Howard Sharp to make it against the law for a man to lay his hat on the lunch counter and Sharp has said he will do it.

Negotiations are under way between the town council of Belle Glade and the Huffman Construction Company for the laying of a paved surface through the main street of the town of width greater than is provided by the specifications of the contract the company is executing for the State Road Department.

V. C. Denton and family had a narrow escape in Lake Worth while en-route to West Palm Beach on Labor Day. A woman very much under the influence of hooch, drove her car out of a side street running over a stop sign, and hit Mr. Denton's car broadside, causing considerable damage to his car. Mrs. Denton, beside the shock of the accident,

had her shoulder and neck badly hurt. All other members of the family escaped injury.

Miss Lula Barfield has been visiting her sister and friends in West Palm Beach. Miss Ellice Barfield spent the last week with her grandparents, Mr. and Mrs. C. A. Barfield. Her father, Charles Barfield, came out Sunday and took her and his mother home with him Monday.

E. C. Parsons, an electrician who spent a few months in Pahokee last season, sends a post card to A. Kaltenbrunner from Danville, N. Y.: "I have just reached here from Canada and will continue on as far as my home tomorrow. I will spend a week with the folks and expect to be in Florida again by the 10th of December. Regards to the bunch and the Mrs."

L. L. Shirley went to Jacksonville to meet his wife and son Jimmie, who have spent the summer visiting in Ohio, Michigan and Indiana. They returned with him in the automobile. Jimmie has recovered from his injuries received in the automobile accident.

Some more fool reports of a hurricane were in circulation early in the week, based on the big publicity given by West Palm Beach daily papers to a hurricane in Yucatan channel, a few thousand miles distant from the Everglades.

J. G. Weeks' filling station at Connors Highway and Pahokee road corner was entered Saturday night and two slot machines were taken by the unknown intruders. Deputy Sheriff Loadholter came out Monday and took copies of the finger prints and it is expected

that an arrest will be made this week.

B. Robinson has returned from a vacation spent in the western part of the state. While on the trip he located some Fordson tractors which will be shipped to his firm, Elliott and Robison.

Carmen Salvatore returned the latter part of last week from a

three weeks vacation in New York and New Jersey. An Al Smith demonstration at Sea Girt seems to have made an impression on him and he relates that it was one of the biggest things that ever happened in the New York territory.

Thirty-nine plants are canning and concentrating citrus fruits in Florida, according to Florida Canners Association.

To Get Chores Done...

JUST
MINUTES LATER

...and still have fun!

For Better Living...

Electricity is your BEST buy!

TAKING THE WORK
OUT OF HOUSEWORK...SEWING MACHINE NEEDLE
WON'T STICK

When sewing plastic materials if you sew a strip of waxed paper into the seam. When finished, tear paper off, seam will be perfect.

(You can use your electric sewing machine for five hours for only a penny's worth of electricity!)

TO GET OUT DUST

from under range and refrigerator, use the crevice nozzle of your vacuum cleaner. Refrigerator works more efficiently, too, if you keep cooling coils or grille free from dust with upholstery attachment.

(One whole hour of vacuum cleaning costs only half-cent in electricity!)

TO DAMPEN CLOTHES QUICKLY

place in plastic bag, add a cup of water. Shake thoroughly, let stand a few minutes. Clothes will be evenly dampened, ready to iron.

(An electric ironer will do the whole week's ironing for just a few cents' worth of electricity!)

JUST THINK

what life would be like without electricity... think how much better living you get... for one low monthly bill!

Christian Science Group Of Canal Point

Services in Christian Science churches next Sunday will bring out the substantiality of Christ's Christianity. Subject of the Lesson-Sermon is "SUBSTANCE." Verses from Psalms (119: 89-90) constitute the Golden Text: "For ever, O Lord, thy word is settled in heaven. Thy faithfulness is unto all generations: thou hast established the earth, and it abideth."

The following words of Jesus are included in Bible selections: "If ye have faith as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place; and it shall remove; and nothing shall be impossible unto you" (Matthew 17:20).

Correlated readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "The prayer that reforms the sinner and heals the sick is an absolute faith that all things are possible to God,—a spiritual understanding of Him, an unselfed love." (p. 1).

NO RATE INCREASE

TALLAHASSEE — The Florida Railroad and Public Utilities Commission has denied the application of Florida Telephone Corporation for a general rate increase on the grounds that the company rendered "inadequate and inefficient service." However, the Commission said the company could apply for the rate increase again when it has improved its service.

JOIN TEACHING STAFF

Mrs. Beulah Boe and Mrs. Evelyn Lair have been added to the teaching staff of the Royal Palm School for Exceptional Children, according to Mrs. Margery Crick of West Palm Beach, principal. Mrs. Boe will assist Mrs. Nannie Mallory at the Glades branch of the school located at the Pahokee Housing Authority Camp south of Pahokee and Mrs. Lair will act as tutor for local exceptional children who are unable to attend the regular class room sessions at the school.

Angel - Kvitek

Mr. and Mrs. Leslie Angel of Pahokee announce the engagement and approaching marriage of their daughter, Jean, to A-1c Raymond R. Kvitek, son of Mr. and Mrs. R. H. Kvitek of Glenwood, Minn. Miss Angel graduated from Pahokee high school and is now employed with the telephone company in Belle Glade. Mr. Kvitek has been with the air force for four years and will be honorably discharged Sept. 14 at Canal Point where he has been stationed for several months.

"Operation Warmth," a campaign to collect blankets for homeless residents of the earthquake-stricken Lonia Islands, has been opened by the Jacksonville Jaycees. The minimum goal is 1,000 blankets by September 15.

Sugar Cane Crop Safe From Water

CLEWISTON—The drainage districts around Lake Okeechobee are operating efficiently and none of the sugar cane crops of United States Sugar Corporation have been damaged by water to date, says W. C. Prewitt of the corporation's agricultural department.

Since the fields of the sugar corporation extend from Canal Point to Moore Haven, this report covers a very great percentage of the lakeshore lands. Belle Glade has reported the heaviest rainfall of the area with a five-inch rain in one 24-hour period and other heavy rains to bring the total to seven inches.

**SAME HOUSE...
SAME WINDOWS...**

and the difference is...

***STORM STOP**

Besides adding to the beauty of the home, **STORM STOP** certainly increases the value of any building. This very versatile product serves in many ways to make you comfortable in ANY weather—sun, rain or hurricane. Protects drapes, rugs and furniture from fading or dampness. Permits open windows during rain, and closes in a moment as a guaranteed protection against the most severe storms...operating like a roll-top desk to cover the entire window opening.

- Custom made to fit each window.
- Baked enamel finish—your choice of colors.
- All Aluminum—waterproof, rustproof, windproof.
- Easily installed on all types of structure.

It Is Unlawful For Any Person Or Persons To Engage In Business Under A Fictitious Name Unless The Name Is Registered

The fictitious name statute was recently changed by the 1951 Legislature and the News has the necessary forms for proper registration and advertising.

The charge for advertising the notice the necessary four times is \$15.

As amended by the 1951 session, the law reads as follows:

"It shall be unlawful for any person or persons, as defined herein, to engage in business as herein defined, under a fictitious name as herein defined, without and unless said fictitious name shall be registered with the clerk of the circuit court of the county where the principal place of business is, which registration shall consist of filing with the clerk aforesaid an affidavit signed by all interested persons, stating under oath the names of all those interested in the business enterprise, the extent of the interest of each, and the fictitious name under which said business is carried on. Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."

Missionary Group In Regular Meet

Members of the Pahokee First Baptist Woman's Missionary Society at a meeting in the church last week welcomed Mrs. Joe Thompson, recently named WMS president by the church, as their new leader for the coming year. Mrs. H. L. Speer, retiring president, presided.

Other new officers elected by the WMS at the meeting were

Mrs. D. W. Young, first vice president; Mrs. F. G. Gillis, second vice president; Mrs. W. Hal Hunter, young people's leader; Mrs. John Hatton, secretary; Mrs. Wiley Tillis, treasurer; Mrs. C. L. Shirley, pianist. Mrs. Robert Douthett gave the report of the nominating committee.

Plans were made for two State mission program to be held at the church this month, the first on Wednesday, Sept. 16, with the Grace Jernigan Circle in charge and the second on the following, Sept. 17, this program to be under the direction of Mrs. F. G. Gillis.

It was announced a book on stewardship will be presented by Mrs. W. Hal Hunter at the church in an afternoon program, Sept. 21.

Members of the Elsie Knight Circle presented the program, "Lifting the Leper." Talks on the topic were given by Mrs. Claude Shirley, Mrs. Wiley Tillis and Mrs. John Hatton.

MRS. HATTON NAMED

Mrs. Robert Hatton was elected chairman of the Commission of Education of the Pahokee First Methodist Church at the first meeting of the fall season held Wednesday night to outline plans for the coming year. Other officers named at the meeting were Mrs. Hugo Boe, vice chairman, and Mrs. George Ramsey, secretary.

The commission voted to hold regular meetings on the second Wednesday of each month, starting at 8:20 p. m., immediately following the midweek prayer service at the church. Plans for annual promotion and rally days at the church school were discussed.

115 Reported On WSCS Roll For Fall

The Pahokee First Methodist Woman's Society of Christian Service at the first meeting of the fall season in the church auditorium Tuesday afternoon reported 115 on its membership roll, of which 63 have already made their mission pledges for the new year.

Mrs. Robert Hatton and Mrs. Rembert A. Guy gave reports on the successful vacation church school held during August and thanked Gertrude, Shirley Circle members for serving refreshments to the children while the vacation school was in session.

Announcements were made of the WSCS seminar to be held in Delray Beach Friday, Sept. 11, starting at 10 a. m.; also of the Methodist Training School for the Glades area to start at the Pahokee Church Sunday, Sept. 13, at 2:30 p. m., with evening sessions to follow at 7:45, starting Monday.

Mrs. Leon Spooner and Mrs. W. M. Hull volunteered to assist in the leadership of the "Happy Helpers" mission group of children.

The program, "Parable of the Sower," was presented by the Margery Lair Circle under the direction of its chairman, Mrs. Frank Friend. As members arrived at the meeting they were served refreshments of fruit punch by Mrs. Nola Smith and Mrs. J. V. Thomas.

Mrs. W. L. Boatwright underwent surgery at a Miami Hospital on Wednesday of this week.

Methodists Plan Series Of Pictures

Beginning Sunday evening, Sept. 13, there will be shown in the Pahokee First Methodist Church a series of 10 sound motion pictures entitled, "This is the Life."

These messages on the screen will present the following subjects: "As a Twig is Bent", "Power of Prayer", "Giving Thanks Always", "My Brother", "The Shield of

Faith", "The Beginning of the Rainbow" (Christian happiness), "The Higher Pardon", "As For Me and My House", "Flickering Flame", and "The Greatest Gift" (Christmas).

Those who have seen these non-denominational religious films say they are superbly produced and of the highest quality. One of the ten subjects will be shown in the church auditorium each month on the second Sunday evening. The public is invited.

ROADMASTER

CUSTOM BUILT BY BUICK

To you who have yet to drive a 1953 Buick ROADMASTER, we have this to say:

There is waiting for you at the wheel of this car a tremendously satisfying experience—the most magnificent Buick motor-ing experience of the past half century.

We say this as a matter of straight and simple fact.

For in this automobile—the smoothest-riding, the most maneuverable, and the most instantly responsive ROADMASTER in history—is an engine unlike any other in the world, plus an automatic transmission of similar uniqueness.

Here, you command the first Fireball V8 Engine—the world's first V8 with vertical valves—the modern and advanced V8 with the highest horsepower ever placed in a Buick, and the highest compression on the American scene today.

Here, you command distance through the liquid-grace of Twin-Turbine Dynaflow—where getaway-response is instant and quiet, and power build-up is infinitely, utterly smooth.

Here too, you take a new step forward in fine-car motoring—in the luxury of your ride, the luxury of your surroundings, the luxury of your control, with Power Steering standard equipment at no extra cost.

We can give you the details, the reasons, the facts.

But—wouldn't you rather learn the sum total of such things in a road sampling of the greatest ROADMASTER yet built?

We'll be happy to arrange matters. Why not visit us soon?

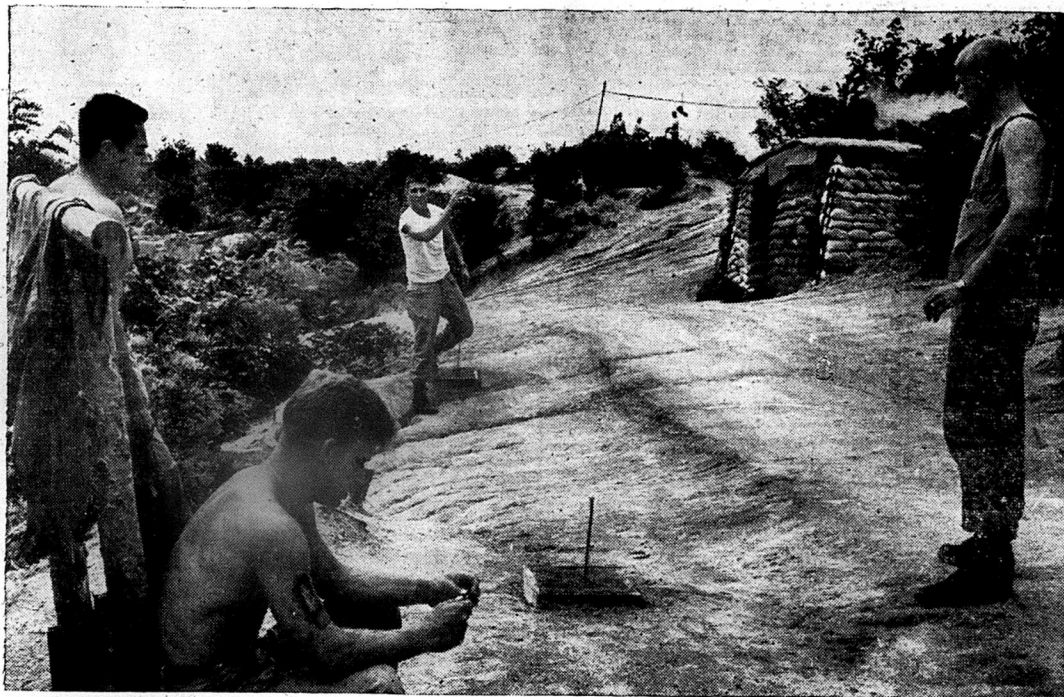

*Available at additional cost on Roadmaster and Super models only. **Optional at extra cost in Super and Roadmaster Sedan and Riviera models.

Belle Glade, Fla.

Front-line troops relax after the Korean cease-fire. Hundreds of thousands of our men are still on watch in Korea.

Nothing is over but the shooting

On July 27th, in Korea, an Armistice was signed and the guns were silenced after three long years.

Agreement to *halt* the war has now been reached, but that's all. The force that caused Korea is still alive. *Nothing is over but the shooting.*

A job only you could do:

Through your support of the Red Cross, you have once more proved the willingness of men and women in free countries to help one another without thought of reward. No one pays your Red Cross, except in heartfelt gratitude.

Through the Red Cross and co-operating blood banks you gave over 5 million pints of blood on which the wounded in Korea had first call. You helped save their lives.

You made it possible for your Red Cross to be the link between our men and their homes . . . to ease the mind of a GI at the front with counsel and financial assistance, either for himself or for his loved ones in trouble at home . . . to cheer and comfort the wounded in hospitals . . . to give a touch of home to prisoners of

war immediately on release. Through your Red Cross, you stepped in.

An even bigger job ahead:

Despite the truce we can't stop now. The job is one of vigilance and waiting.

Thousands of men will be in hospitals, trying to recover the health they lost in our behalf. To them, the Red Cross means kindly personal services.

Men who continue in service at home and in foreign lands need your Red Cross to make life a little more pleasant, a bit more livable and normal. At the same time, the Red Cross must be ready with help for their families.

And the Red Cross blood program must go on. A backlog must be built up for defense, for treatment of those still suffering from wounds, and for the growing civilian needs. The Red Cross is set up to handle this job but its success depends on your continuing support.

As President Eisenhower has said:

"We have won an Armistice on a single battleground . . . not peace in the world. We may not now relax our guard . . ."

E. Helms Harriman
